## Duration:

This is offered as an optional supplement to the Marketing & Campaign Management course. It is a presentation / live demonstration session which will add approximately 90 minutes to the Marketing course.

## Course Aims:

This course is designed to provide an overview of the functionality provided by PowerMailChimp – the integration between Dynamics CRM and MailChimp.

## Pre-Requisites:

All delegates should have attended the Campaign Management Course.

## Course Fees:

This will be a supplement to the Campaign Management course and is also aimed at 2-3 users.

Each delegate will receive a training manual to keep after the course.

## Training Environment:

Please see our separate Training Environment information sheet for full details of requirements.

## Software Version:

This course is designed for users of Microsoft Dynamics 365 and differences may be found with earlier or later versions.

## How to Book:

Phone us on 01908 929555 or email [rachel@crm-dynamics.co.uk](mailto:rachel@crm-dynamics.co.uk)
